

Kindergarten Supply List 2020-2021

(Not available through School Start)

Please have your child bring these items to school on your child's entry interview day. **All items must be labeled with your child's name OR, you could use a piece of colored/patterned duct tape or washi tape to put on each item** (only one kind of tape so that your child recognizes that tape as his/hers). That will make it easier for your child to find.

***Please keep in mind that with social distancing measures, your child will need to be responsible for his/her items.
