Letter from the Chairperson

Last year was yet again another crazy year! Not only were we dealing with the challenges of covid restrictions, but parent council was going through some changes with new board members and moving to a year of virtual meetings.

As we navigated through another year of unknowns, I believe, we were successful in providing fun activities for the students at Jennie Emery including JEES clothing sale, Covid cupcake day, free hot dog lunch, free Wally's pizza lunch, various field trips, and ended the year with an awesome Funday.

These activities were made possible with help from the two DFS fundraisers that were done throughout the year. DFS, especially the one with Christmas items, continues to be a beneficial fundraiser for the Friends of Jennie Emery Society and also conveniently done mostly all online.

Last year the society set a budget of \$20 per student for activities, not knowing whether or not field trips would be allowed. Many grades were able to participate in virtual field trips throughout the year, and some grades also enjoyed outdoor field trips at the end of the year.

Throughout the year, the society also contributed to buying Curtis a bunch of school swag, the grade four Christmas video and grade four farewell, put on a fantastic Teacher Appreciation lunch, provided the retirees with flowers and gift cards, as well as paid for the muffins provided to students and parents on the first day of school this year.

Although at times annoying, some good things came out of the changes implemented by covid. Our Funday was a huge success! Teachers appreciated staying in their own classrooms and working through the google slides at their own pace, and the students had so much fun! It was so great to be able to hold Funday for the kids again, as we were unable to the year before.

In February, the society approved a budget for padding on the gym walls and were later informed that Palliser would pay this expense. We are still waiting on this, and I encourage the new council to revisit this topic for the safety of the kids, especially now that Mr. Uyesugi and Mrs. Leusink are planning extracurricular activities after school.

I want to thank the admin, teachers, trustees and the same group of parents who consistently showed up to the meetings last year. Thank you for helping to contribute to the success of parent council and the Friends of Jennie Emery Society. It was a pleasure to work with you all, and I hope the new council has as great of a group to work with. Peace out!

Amy Morice
