

JEES JUNE 2025 NEWSLETTER

Principals Message

Hello JEES Families,

We are fortunate to have such a supportive school community. Thank you to our school council, FOJE, and specifically to our parents who put so much time and effort into the staff appreciation week. Our staff certainly felt the appreciation, and we recognize how much thought, preparation, and work went into making it happen. Thank you so much for your support that week, and throughout the year.

As we transition into the final month of this school year, we are looking forward to an exciting number of weeks. There are a number of upcoming field trips, track & field day, fun day (hosted by our council/ FOJE parents), as well as year-end assemblies and farewell celebrations. Please check the calendar dates for a full list of all the activities and field trip dates. On that note, another huge thank you to our FOJE parent association for all their fundraising support to cover the costs of the field trips and year-end farewells. We also appreciate all the extra contributions and volunteer support from families for the field trips and celebration events.

As we approach the end of June, we will share our JEES calendar and information about the back to school start-up days.

Enjoy the fun filled weeks ahead. Have a great June everyone.

 Time to Return Your Library Books!

The school year is almost over, which means it's time to return all library books to their home on the shelves!

-  **17 Due Date:** All library materials should now be returned to the Learning Commons.
-  **Outstanding Fines:** If your child has any overdue or lost book fines, please submit payments to the library as soon as possible. Reach out to us if you have any questions!
-  **Not sure what's still checked out?** Look for notes coming home in your child's agenda or contact Mrs. Wells at sue.wells@pallisersd.ab.ca

 Keep Reading This Summer!

Reading doesn't stop just because school's out! Here are some fun ways to keep the pages turning:

-  Sign up for any of the  Coaldale Library Summer Reading Programs
-  Try audiobooks, graphic novels, cookbooks, or even comic books – reading is reading!
-  Create a family reading time each week and enjoy a story together
-   Set a personal summer goal – 10 books? 100 pages a week? You can do it!

 Happy Summer From Your Learning Commons

We'll miss seeing your bright smiles but we can't wait to see what stories you discover over the break. Good luck to all the Grade 3 students heading off to Grade 4 next year! Have a safe, relaxing, and book-filled summer!

Mrs. Wells

Learning Commons Facilitator

It is with mixed emotions that we announce the retirement of our beloved Speech Language Pathologist, Mrs. Marion Price!

Mrs. Marion has been a SLP since 1990. She began as a privately contracted employee at JEES in 2002, and has been an employee of the Palliser School Division for the past 10 years. She has worked in every school in the Palliser School Division, and every school south of Calgary! She has worked with some students for their entire schooling career! From Early Learning, through to Grade 12!

We cannot thank her enough for the services and support she has provided to our staff, students and their families! Though she will be dearly missed, we wish her the best in her retirement!

When asked about her lengthy career, and any thing specific she would like to share, Mrs Marion wanted people to know, she has truly loved everything about her job and the students she has had the privilege to work with.

Her single regret is not writing down all the funny things students say. She says at least once a day, a student has made her laugh, and she wishes she could remember it all.

She will deeply miss the connections she has made, and seeing the students.

We will miss you
